

Industry Status of Implementing HIPAA Changes for the 5010

A **Free** Educational Webcast

1:30 p.m. CDT, Wednesday, March 24, 2010

The upgrades to the transaction standards, moving to X12 Version 5010 and NCPDP Version D.O. are required to be implemented no later than January 1, 2012.

The upgrade to the diagnosis and inpatient hospital code sets to ICD-10-CM and ICD-10 PCS are required to be implemented for services on October 1, 2013.

How has the industry responded?
